

# GOLD PROCESSING TECHNOLOGY

**A 2 Day course on the  
Fundamentals and Applications of  
Gold Ore Processing**

Monday and Tuesday  
March 13 & 14, 2017  
8:00 am to 4:00 pm

WMC Conference Centre  
(Auditorium)  
44 MacDonald St  
Kalgoorlie, WA

**Curtin University**

in association with

# **GOLD PROCESSING TECHNOLOGY COURSE**

## **Kalgoorlie, March 13 & 14, 2017**

### **PRESENTERS**

- **Greg Wardell-Johnson, Gold Technology Group, WASM, Curtin University**
- **Dr Teresa McGrath, Gold Technology Group, WASM, Curtin University**
- **Bill Staunton, Gold Technology Group, WASM, Curtin University**

### **COURSE CONTENT**

**This 2-day course will provide attendees with an understanding of the fundamentals and practical applications involved in gold processing with a particular emphasis on plant optimisation. Topics covered will include mineralogy, gravity recovery, flotation, cyanide leaching, CIP operations, carbon management, elution, electrowinning and smelting and refractory ore treatments. Participants will have the opportunity to discuss their plant practices and problems.**

### **WHO SHOULD ATTEND**

**The workshop is designed to provide practising metallurgists with knowledge and tools to assist in operation and optimisation of gold processing circuits. Plant metallurgists, senior metallurgists, consultants and design engineers new to, or already working in, the gold industry who wish to upgrade or renew their knowledge in practical gold processing. The course will also benefit professionals in related disciplines including mining engineering, and environmental managers who wish to further their knowledge of gold processing.**

### **COST**

**Registration cost for this 2-day workshop is \$1,980 (inclusive of GST). Employees of companies that are sponsors of Employees of companies sponsoring the P420F Gold Processing Technology Project are able to attend free of charge (but must register).**

### **LOCATION AND TIME**

**The course will be held at the WMC Conference Centre, 44 MacDonald Street, Kalgoorlie, Western Australia, on Monday March 13, and Tuesday March 14, 2017, starting at 8.00 am and finishing at 4.00 pm on both days.**

### **REGISTRATION**

**Complete the attached registration form and email the completed form to Teresa McGrath ([teresa.mcgrath@curtin.edu.au](mailto:teresa.mcgrath@curtin.edu.au)).**

### **FURTHER INFORMATION**

**For any further information contact:
